- A separate general anesthesia permit or conscious sedation permit, as appropriate, is required for each location at which a dentist administers general anesthesia, deep sedation or conscious sedation.
- 2. To obtain a general anesthesia permit or conscious sedation permit, a dentist must apply to the Board for such a permit on a form prescribed by the Board, submit any fees that are set by the Board pursuant to NRS 631.345 and produce evidence showing that he is a dentist who is licensed in this State, and:
 - (a) For a conscious sedation permit, the applicant must show evidence of:
- (1) The completion of a course of study, subject to the approval of the Board, of not less than 60 hours dedicated exclusively to the administration of conscious sedation, and the successful management of the administration of conscious sedation to not less than 20 patients; or
- (2) The completion of a program for specialty training which is approved by the Commission on Dental Accreditation of the American Dental Association and which includes education and training in the administration of conscious sedation that is equivalent to the education and training described in subparagraph (1) and completion of an Advanced Cardiac Life Support course given by the American Heart Association or, if licensed as a specialist in pediatric dentistry, completion of a Pediatric Advanced Life Support course given by the American Heart Association.
- (b) For a general anesthesia permit, the applicant must show evidence of the completion of an Advanced Cardiac Life Support course given by the American Heart Association and:

- (1) The completion of a program, subject to the approval of the Board, of advanced training in anesthesiology and related academic subjects beyond the level of undergraduate dental school in a training program as described in Part II of the *Guidelines for Teaching the Comprehensive Control of Pain and Anxiety in Dentistry*, published by the Council on Dental Education and available from the American Dental Association, 211 East Chicago Ave., Chicago, Illinois 60611; or
- (2) The completion of a graduate program in oral and maxillofacial surgery which has been approved by the Commission on Dental Accreditation of the American Dental Association.

Section 12. NAC 631.2236 is hereby amended to read as follows:

631.2236 1. A dentist who is licensed in this State may employ:

- (a) An anesthesiologist who is licensed as such by the State of Nevada; or
- (b) A dentist who is licensed in this State and who holds a general anesthesia permit or conscious sedation permit,
- → to administer general anesthesia, deep sedation or conscious sedation, as appropriate, to his patients at his office if he holds a certificate of site approval issued pursuant to this section.
- 2. A dentist who is licensed in this State and who desires to receive or renew a certificate of site approval must submit to the Board:
- (a) An application for a certificate or for the renewal of a certificate, in a form approved by the Board;
- (b) The fee for the inspection of a facility which is established by the Board pursuant to <u>NRS</u> 631.345; and
- (c) Written documentation which demonstrates that the anesthesiologist or dentist who is to be employed to administer the general anesthesia, deep sedation or conscious sedation holds an appropriate license or permit issued by the appropriate board in this State to administer such anesthesia or sedation, and if the person to be employed is an anesthesiologist, that the anesthesiologist maintains unrestricted active staff privileges within the department of anesthesiology at a hospital or surgical center approved by *fthef The Joint Commission*. *fon Accreditation of Healthcare Organizations.*
- 3. Upon receipt of an application pursuant to this section, the Board will appoint one of its members or a representative of the Board to inspect the office of the applicant to determine whether the office complies with the requirements set forth in NAC 631.2227, 631.2229 and 631.2231. The person conducting the inspection shall report his determination to the Board.
- 4. If the person conducting the inspection determines that the office of the applicant complies with the requirements of NAC 631.2227, 631.2229 and 631.2231 and the applicant has otherwise met the requirements of this section, the Executive Director shall issue a certificate of site approval to the applicant.
- 5. A holder of a certificate of site approval shall maintain the information described in paragraph (c) of subsection 2 at his office at all times.
 - 6. Each certificate of site approval issued by the Board must be renewed annually.
- 7. The Board may reinspect the office of the holder of a certificate of site approval at any time.

Section 13. NAC 631.224

631.224 1. Any dentist who holds a general anesthesia permit pursuant to the provisions of NAC 631.2211 to 631.2256, inclusive, may employ a certified registered nurse anesthetist to administer the general anesthesia, deep sedation or conscious sedation to a patient if the dentist is physically present and directly supervises the administration of the general anesthesia, deep sedation or conscious sedation to the patient. The holder of the permit must maintain at his office evidence in writing that the certified registered nurse anesthetist is licensed to practice in the

State of Nevada and maintains unrestricted active staff privileges within the department of anesthesiology at a hospital or surgical center which is certified by *[the]* The Joint Commission. *fon Accreditation of Healthcare Organizations.]*

2. Except as otherwise provided in <u>NAC 631.2236</u>, a dentist who does not hold a general anesthesia permit may not allow any person to administer general anesthesia, deep sedation or conscious sedation to his patients unless the treatment is rendered within a facility approved by *[the] The* Joint Commission. *[on Accreditation of Healthcare Organizations.]*

Section 14. NAC 631.2241 is hereby amended to read as follows:

631.2241 Each holder of a general anesthesia permit, conscious sedation permit or certificate of site approval shall submit to the Board a complete report regarding any mortality or unusual incident which occurs outside a facility accredited by [the] The Joint Commission fon Accreditation of Healtheare Organizations] and produces permanent injury to a patient or requires the hospitalization of a patient, as a direct result of the administration of general anesthesia, deep sedation or conscious sedation. The report must be submitted within 30 days after the date of the incident. If a dentist fails to report any incident as required by this section, his permit may be revoked.

Section 15. NAC 631.230 is here by amended to read as follows:

- **631.230** 1. In addition to those specified by statute and subsection 3 of <u>NAC 631.177</u>, the following acts constitute unprofessional conduct:
 - (a) The falsification of records of health care or medical records.
- (b) Writing prescriptions for controlled substances in such excessive amounts as to constitute a departure from prevailing standards of acceptable dental practice.
- (c) The consistent use of dental procedures, services or treatments which constitute a departure from prevailing standards of acceptable dental practice even though the use does not constitute malpractice or gross malpractice.
- (d) The acquisition of any controlled substances from any pharmacy or other source by misrepresentation, fraud, deception or subterfuge.
- (e) Making an unreasonable additional charge for laboratory tests, radiology services or other testing services which are ordered by the dentist and performed outside his own office.
- (f) The failure to report to the Board as required in <u>NAC 631.155</u> or to sign any affidavit required by the Board.
- (g) Employing any person in violation of <u>NAC 631.260</u> or failing to report to the Board as required by that section.
- (h) The failure of a dentist who is administering or directly supervising the administration of general anesthesia, deep sedation or conscious sedation to be physically present while a patient is under general anesthesia, deep sedation or conscious sedation.
- (i) Administering conscious sedation to more than one patient at a time, unless each patient is directly supervised by a person authorized by the Board to administer conscious sedation.
 - (j) Administering general anesthesia or deep sedation to more than one patient at a time.
- (k) The failure to have any patient who is undergoing general anesthesia, deep sedation or conscious sedation monitored with a pulse oximeter or similar equipment required by the Board.
- (l) Allowing a person who is not certified in basic cardiopulmonary resuscitation to care for any patient who is undergoing general anesthesia, deep sedation or conscious sedation.
- (m) The failure to obtain a patient's written, informed consent before administering general anesthesia, deep sedation or conscious sedation to the patient or, if the patient is a minor, the failure to obtain his parent's or guardian's consent unless the dentist determines that an emergency situation exists in which delaying the procedure to obtain the consent would likely cause permanent injury to the patient.

- (n) The failure to maintain a record of all written, informed consents given for the administration of general anesthesia, deep sedation or conscious sedation.
- (o) The failure to report to the Board, in writing, the death or emergency hospitalization of any patient to whom general anesthesia, deep sedation or conscious sedation was administered. The report must be made within 30 days after the event.
- (p) Allowing a person to administer general anesthesia, deep sedation or conscious sedation to a patient if the person does not hold a permit to administer such anesthesia or sedation unless the anesthesia or sedation is administered:
- (1) In a facility approved by *fthe* Joint Commission *fon Accreditation of Healthcare Organizations*; or
- (2) By an anesthesiologist in an office for which a certificate of site approval has been issued.
- (q) The failure of a dentist who owns a dental practice to provide copies of the records of a patient to a dentist or dental hygienist who provided the services as an employee or independent contractor of the dentist when the records are the basis of a complaint before the Board. Nothing in this paragraph relieves the treating dentist or dental hygienist from the obligation to provide records of the patient to the Board.
- (r) The failure of a dentist who owns a dental practice to verify the license of a dentist or dental hygienist before offering employment or contracting for services with the dentist or dental hygienist as an independent contractor.
- (s) The failure of a dentist who owns a dental practice and participates in the diagnosis and treatment of any patient to ensure that the services rendered by a dentist or dental hygienist who is an employee or independent contractor of that dentist meet the prevailing standards of acceptable dental practice. If a dentist or dental hygienist who is an employee or independent contractor of the dentist is found by substantial evidence to have provided services below the prevailing standards of acceptable dental practice, the dentist who owns the dental practice may be required to reimburse the patient to whom the services were provided pursuant to paragraph (l) of subsection 1 of NRS 631.350.
- (t) The failure of a dentist who owns a dental practice to record the name of the dentist or dental hygienist who provided the services in the records of a patient each time the services are rendered.
- 2. For purposes of <u>NRS 631.347</u>, a plan or practice requiring a patient to select a dentist from a specific group does not provide the patient with a reasonable opportunity to select a dentist of his own choice, and constitutes unprofessional conduct on the part of any dentist participating in such a plan or practice, unless it, or another plan concurrently available to the patient, allows the patient to:
- (a) Have an annual opportunity lasting for a minimum of 30 days within which to select a dentist of his own choice for all dental work to be performed during the subsequent 12 months. Any new patient added to the plan or practice must immediately be given an initial opportunity lasting at least 30 days to select the coverage supplied by the plan or practice or a dentist of his own choice.
- (b) Receive the allowance for a procedure performed by a dentist of his own choice in substantially the same amount as he would if he used the services of one of the group of dentists specified by the plan or practice.
